Helsinki, 15 December 2009

LEAD REGISTRANT WEBINAR ON SUBSTANCE IDENTITY

An ECHA webinar on substance identity will take place on 25 January 2010. It is available to all Lead Registrants. The webinar will last for up to two hours and up to 1000 Lead Registrants will be able to participate.

Webinar 4 on 'Substance Identity' will take place on:

- 25 January 2010 at 15:00 - 17:00 Eastern European Time (GMT +2)

This fourth webinar will provide Lead Registrants with advice on key concepts on substance identity, related common problems and information on substance identity needed for dossier preparation.

Participation in the webinar is available only for Lead Registrants who have notified ECHA of their role through the Lead Registrant nomination webform available on the ECHA's website. In order to ensure a place in the webinar, notify ECHA of your Lead Registrant Role without delay. The invitation for this webinar and the program will be sent directly to the Lead Registrants.

Further exclusive services for Lead Registrants include support from ECHA's Helpdesk and an electronic discussion platform – the Lead Registrants' Forum.
